AAA National Family Caregiver Support Program Worksheet

Section 15-NFCSP

| Review Section: | Requirement Reference | Additional Information | Requirement | Finding |
|-----------------|--|------------------------|--|---------|
| NFCSP-01 | OAA Title III, Part E, Section. 373. (b) (1-5) | | ____ The AAA makes program services available to caregivers. The program services include: information, assistance gaining access to services, individual counseling, support groups or caregiver training, respite, and supplemental services. | |
| NFCSP-02 | OAA Section 302 (3) | | ____ The AAA follows the definition of "family caregiver" when authorizing or promoting services. The term is defined as an adult family member, or another individual, who is an informal provider of in-home and community care to an older individual or to an individual with Alzheimer's disease or a related disorder with neurological and organic brain dysfunction. | |
| NFCSP-03 | OAA Title III, Part E, Section. 373. (c)(2)(A and B) | | ____ The AAA has a policy that prioritize A. caregivers who are older individuals with greatest social need and greatest economic need and B. older individuals providing care to individuals with severe disabilities. | |
| NFCSP-04 | OAA Title III, Part E, Section. 373. (d) | | ____ The AAA utilizes volunteers to assist with providing caregiver information, assisting caregivers in gaining access to services, participating in individual counseling, providing support groups or caregiver training, providing respite, and providing any supplemental services (like legal assistance). | |
| NFCSP-05 | OAA Title III, Part E, Section. 373. (d) | | ____ The AAA has resources for each type of service: 1. information to caregivers about community services; 2. assistance to caregivers in gaining access to community services; 3. individual counseling, organization of support groups, and caregiver training; 4. respite care to relieve caregivers; 5. supplemental services to complement the care. | |
